CONSUN PHARMACEUTICAL GROUP LIMITED

(Incorporated in the Cayman Islands with limited liability)

(Stock code: 1681)

VOLUNTARY ANNOUNCEMENT
FURTHER ACQUISITION OF APPROXIMATELY 3.60% EQUITY
INTEREST IN GUANGXI YULIN PHARMACEUTICAL GROUP CO., LTD.*

This announcement is made by the Company on a voluntary basis.

The Board is pleased to announce that the Subsidiary (a wholly-owned subsidiary of the Company) has entered into the equity transfer agreement with the Fifth Round Vendor on 17 June 2016 (the “**Fifth Round Equity Transfer Agreement**”) to further acquire approximately 3.60% equity interest in the Target Company at the consideration of approximately RMB31,612,000 (the “**Fifth Round Acquisition**”). Upon completion of the Fifth Round Acquisition (excluding the Fourth Round Acquisition), the Subsidiary will hold in aggregate approximately 48.87% equity interest in the Target Company.

Reference is made to the three announcements of the Company dated 6 August 2015 in relation to the First Round Acquisition of approximately 15%, dated 28 August 2015 in relation to the Second Round Acquisition of approximately 14.85% and dated 9 November 2015 in relation to the Third Round Acquisition of approximately 15.42% equity interest in the Target Company by the Subsidiary (the “**Three Previous Acquisitions**”), and the announcement of the Company dated 23 November 2015 in relation to the Fourth Round Acquisition of approximately 5.76% equity interest in the Target Company by the Subsidiary. In the Three Previous Acquisitions, the Company has completed the acquisition of the aggregate approximately 45.27% equity interest in the Target Company. The Fourth Round Acquisition is subject to and upon the terms and conditions of the Fourth Round Equity Transfer Agreement, and

the EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Fourth Round Acquisition and the transaction contemplated thereunder. Upon completion of the Fourth Round Acquisition (including the Fifth Round Acquisition), the Company will hold in aggregate approximately 54.63% equity interest in the Target Company and the Target Company will become a subsidiary of the Company.

The consideration for the Fifth Round Acquisition will be paid in cash funded by internal resources of the Group. Taking into account factors including the existing capacity of the Target Company, the financial performance and position of the Target Company as well as the expected synergies with the Group's existing business arising from the acquisition, the consideration for the Fifth Round Acquisition was arrived at after arms' length negotiations.

Information on the Group

The Group is principally engaged in the research, manufacturing and sales of modern Chinese medicines and medical contrast medium in the PRC.

Information on the Target Company

The Target Company is a limited liability company established in the PRC and its business scope covers the manufacture of tablets, hard capsules, granules, syrups, tinctures (including the external use), ointments, liniments, mixtures and decoction agents; manufacture of Chinese herbal medicine (including toxic slices, purifying agents, cutting agents, frying agents, roasting agents, streaming agents, etc.); manufacture of beverages (tea drinks and other types of beverages); manufacture and sales of "Yulin Fuyanjie Antibacterial Lotion"; operation of export businesses of self-produced products and related technologies of the corporation; operation of import businesses of commodities and related technologies, including raw and supplementary materials, mechanic equipment, instruments and meters, and spare parts required in the manufacturing and scientific researches of the corporation.

Reasons for the Acquisition

The Group is an integrated pharmaceutical group principally engaged in the research, manufacturing and marketing of modern Chinese medicines and medical contrast medium in the PRC. Upholding a product strategy based on specialties and

complemented by generics, the Group's uremic clearance granule and gadopentetate dimeglumine injection have already become the leaders of chronic kidney diseases sector and MRI medical contrast medium sub-sector in the field of specialist medicines.

The Target Company is a Chinese medicine manufacturing enterprise principally engaged in the research and development, production and sales of Chinese medicines and natural medicines. The Target Company is one of the first batch of enterprises recognized as "Chinese Time-honored Brands (中華老字號)" by the Ministry of Commerce in 2006 and one of the first batch (seven in total) of research and development bases for ethnic medicines in Guangxi. In 2007, "Yulin Brand" trademark was accredited "Chinese Well-known Trademark (中國馳名商標)", and the Target Company has also been conferred the status of Guangxi High and New Technology Enterprise (高新技術企業) since 2009.

The Target Company currently owns over 70 types of medicines in nine dosage forms. Among these medicines, over 30 types have been listed in the National Over-the-Counter Medicine Catalogue, Medical Insurance Drugs Catalogue and New Rural Cooperative Medicine Catalogue, and over 10 types are exported to more than 30 countries and regions.

The Company is of the view that the Fifth Round Acquisition will consolidate the influence of the Company on the Target Company and improve the expected synergies with the Group's existing business. The Directors (including the independent non-executive Directors) are of the view that the transaction is conducted in ordinary and usual course of business of the Group, and is entered into on normal commercial terms which are fair and reasonable and are in the interests of the Company and shareholders as a whole.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, the Fifth Round Vendor is independent of and not connected with the Company and its connected persons.

Given that the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Fifth Round Acquisition are less than 5%, the Fifth Round Acquisition does not constitute any notifiable transaction under Chapter 14 of the Listing Rules. This announcement is issued as a voluntary announcement by the Company.
